

# SMOKESTACK

## FALL 2013 EDITION

### **Hi IFRR Railroaders!**

Welcome to you Fall Edition of our quarterly IFRR newsletter..."Smokestack". As you see above we have a new logo, thanks to Rotary International. RI has changed their official logo. All programs of Rotary can now use the above format for their logo. Please feel free to use this logo as appropriate.

### **ROTARY INTERNATIONAL CONVENTION IN SYDNEY 2014 !**

Should IFRR have a booth or share booth space in 2014?  
If so, will you be there? We would like to have representation of IFRR at the Convention. We need your help if you are planning to attend. If we are to have tours and trips...we need help to put these together and now is the time to start. Bill & Curtis Reinhardt have been the driving force behind our successful tours, trips and visits. Now, they need your help and support.

Please let Prez Don know if you would like to help out at the Convention - [schiller@commspeed.net](mailto:schiller@commspeed.net)

### **NEW MEMBERS!**

Welcome new members! IFRR has added quite a few new members this year. That is super!

Please use the website! Send us your articles, photos, special interests and we will update the website. Do you have railroad items to swap or sell? We could post those too. Please get active and involved with IFRR.

### **IFRR HAS A "RI My Rotary" GROUP!**

You can go to: <https://www.rotary.org/myrotary/en/node/65441> and join our Group. This is the place to exchange ideas, swap items, tell stories, let us know what your railroading interests are and more. Please use this new tool to expand the opportunities with IFRR. It's fun, interesting, exciting and beneficial to all concerned.

## **IFRR IS YOURS!**

You are the one who can make IFRR successfull. Get involved!  
IFRR is an interactive website based fellowship. It is yours to use.  
We need your support, ideas, help, action!

Enjoy Railroading! Happy Holidays! Merry Christmas & Happy New Years!
